Docket No. 98N-1265

Food and Drug Administration APR -9 AIO 35

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I receive a prescription by
mail from Women's Health America
(Madison Pharmacy) that was
recommended by my physician
and is unavailable at my local
pharmacy. I live in a small
state which will limit my
options if you deny my
ability to purchase from a
pharmacy out of NH -
